

March 17, 2020

As you have likely heard by now from your Chapter Presidents, International has cancelled all 2020 Conventions. In following the leadership of International, the Provincial President and I had been in discussions about postponing the coffee party for April 18th.

In these difficult times, things are moving quickly and information and directions are coming at us at an incredibly swift pace. This evening we received the following email from our International President **directing that no P.E.O. gatherings be held prior to May 10, 2020.** Therefore, I am writing to advise you that we will not be holding the Coffee Party in Selkirk on April 18th.

I would ask that you please reach out and contact the women whose names you submitted to me and let them know this event has been postponed. Please let them know that when we have a new date we will again extend an invitation for them to attend and learn about our Sisterhood. I would also ask that you please confirm with me that you have contacted them.

On behalf of the Provincial Membership Committee I would like to thank our Selkirk Sisters for their willingness to work with the Membership Committee to pull together a location, agenda, and guest speakers. Your hard work and dedication is greatly appreciated. I'm so sorry we will not be able to hold this event at this time.

Take care, look after each other. This will pass.

LIPEO
Sheri Bailey R, PPP
Chair, Provincial Membership Committee.
